The Plymouth County Board of Supervisors met in adjourned session on October 30, 2002 with all members present. All votes following are aye unless otherwise indicated.

Minutes of the October 23rd meeting were read and approved.

Motion by Kestner, seconded by Philips, to write a letter of support for a grant application for Mid-Sioux Inc.
Motion carried.

PCS recommended an upgrade in the outside coating of the new jail/comm. center at a cost of \$7,200.00 with a 10 year warranty. The Board agreed to the upgrade.

PCS also recommended a refund of the retaining walls and concrete pipe under the driveways and instead hiring Schlotfeldt Engineering to design a connection to the storm sewer.
